

Shy guy

J. Arnell

I´m as lonely as I can be
I need someone to see about me
I miss out on all the fun
I ain´t got noone

Girls smile and my face turns red
I look down and I turn my head
I try to talk but my tounge gets tied
Then I run and hide

**I´m just a poor boy watchin´ my
Life pass me by
All alone I sit and cry
Cause I´m a shy guy**

I´m not playin´ hard to get
I´m breakin´ out in a cold cold sweat
When girls flirt and I don´t flirt back
I hit the road like Jack

Some say that I´m being weird
But it´s just that I´m oh so scared
They say I´m one card shy of a deck
I´m an emotional wreck

**I´m just a poor boy watchin´ my
Life pass me by
All alone I sit and cry
Cause I´m a shy guy**

Solo

Every day I wonder why
As I watch the girls go by
From my window up above
Why I can´t find no love

**I´m just a poor boy watchin´ my
Life pass me by
All alone I sit and cry
Cause I´m a shy guy**

**All alone I sit and cry
Cause I´m a shy guy
I´m just a shy guy**
